MEMORANDUM FOR: Director of Data Processing
THROUGH : Executive Officer
FROM :
Acting Chief, Management Staff, ODP
SUBJECT : Management Staff Weekly Report for
Week Ending 26 May 1981

1981 Project Decision Forms

Project decision forms are in the process of being returned to Directorate and Office ADP Control Officers. Although only seventeen ODP-supported projects meet the threshold in 1981 and will be tracked, all thirty-four project decision forms are being returned so users will know the ODP impact and costs of all the projects.

Project Activity Report (PAR)

The April 1981 PAR was distributed on 26 May and initial postings were begun on May manpower data.

Work began on comparing active PAR projects with projects reported in the Applications Quarterly Report to identify any discrepancies.

Proposed Federal Standards

Management Staff distributed to interested components for comment two proposed federal standards. These proposed standards specify the transport and session levels of communications protocol for computer networks. We have requested comments by 2 July.
